1. Consideration of complaints Set the level of secrecy and protect those involved according to regulations. Concerning the maintenance of official secrets, B.E. 2011, and submitting the matter to the agency for consideration, the information provider and the complainant may suffer, for example, initial complaints against government officials are considered It is a government secret. If it is an identity card Consider only those cases where the circumstantial evidence is clearly evident, as well as definite witnesses. Reporting influencers must conceal the name and address of the complainant. If the complainant's name and address are not concealed, the relevant agency must be notified. and provide protection to the complainant as follows: “Let the commander use his discretion to give orders. as appropriate to protect the complainant,

witnesses, and persons providing information in the investigation Do not suffer harm or injustice that may result from making a complaint.

witness or providing that information.” In the case where the name of the accused is specified, both the complainant and the respondent must be protected. Because the matter has not yet gone through the fact-checking process. and may be a form of harassment and accusation to receive Trouble and damage can occur and in the case the complainant specifies in the complaint Request concealment or do not wish to reveal the name of the complainant. The agency must not reveal the name of the complainant to the responding agency because the complainant may receive suffering according to the cause of the complaint

2. When there is a complaint The complainant and witnesses will not be subjected to any action that affects their work or livelihood. If any action is necessary, such as separating the workplace to prevent the complainant, the witness, and the accused from meeting, etc., consent must be obtained from the complainant and the witness.

3. Requests from victims, complainants, or witnesses, such as requests to move workplaces or methods for preventing or solving problems. Should be considered by responsible persons or agencies as appropriate.

4. Provide protection to the complainant from being harassed.

5. Measures to protect the accused

9.) Measures to protect the accused

1. During the consideration of the complaint, it is not considered that the accused is guilty. He must be fair and be treated the same as other people.

2. Give the accused an opportunity to fully explain the allegations. Including the right to perform Documents/evidence

This announcement is hereby issued on January 5, 2026
